7. (Internal Use Only - JGO) Received a call from Lt. Col. Jack Reiter, Legislation Branch, Air Force I and I, who related that he had been advised this afternoon by Mr. John Blandford, Counsel, House Armed Services Committee that H. R. 2989, the Missing Persons Act Amendment bill, which was proposed by the Air Force through Department of Defense at the Agency's request, is now ready to move within the Committee. Col. Reiter requests Agency assistance in providing the necessary background explanation and justification for the requested changes; a Ramseyer of the bill; a proposed witness statement; and designation of an Agency witness if one will be available for appearance at the hearing on the bill. Thanked the Colonel for the information and advised him I would be back in touch with him in the morning.
